-RANDELLE, MOM

The tween years are some of the most pivotal years in shaping your daughter's future..

More than ever before, she's facing new, scarier pressures about how to live and bigger, deeper lies about who she is. Now is the time to lay the foundation for her to stand on truth for the rest of her life. The True Girl Pajama Party Tour is a 2.5 hour live stage event that strategically presents timely Biblical truths in a fun package to bring you and your daughter closer to each other and closer to Jesus.

"I designed True Girl events as a tool for moms. It's a fun way to give our daughters' hearts another layer of protection from future pain by planting scriptural truths in her heart today."
-Dannah Gresh, Founder of True Girl
