

“crazy”

I'm not afraid to stand out in the crowd no
 Won't compromise or keep my faith on the down low
 I'll just move if You move when You say so
 Won't just do what they do to fit in the mold

Oh, oh, oh
 I'm on the go, go, go
 but not with the flow, flow flow
 One of a kind like a photo, oh

I'm not afraid to be crazy, crazy
 I'm really likin' how He made me, made me
 It don't matter if they goin left or right
 I know I was born to be a light
 Not afraid to be crazy, crazy
 Really likin' how He made me, made me
 I just love being different, that's just fine
 I'll be crazy on the daily, crazy, crazy how He made me

Crazy, Crazy

Don't gotta settle, be a pioneer and lead the way
 I'll get that crown of life, cause I'm reppin Jesus name
 Known for love, even if they say I'm cray cray
 If you with me put your hands up and say

Oh, oh, oh
 I'm on the go, go, go
 but not with the flow, flow flow
 One of a kind like a photo, oh

I'm not afraid to be crazy, crazy
 I'm really likin' how He made me, made me
 It don't matter if they goin left or right
 I know I was born to be a light
 Not afraid to be crazy, crazy
 Really likin' how He made me, made me

I just love being different, that's just fine
 I'll be crazy on the daily, crazy, crazy how He made me

Crazy,
 I just love being different
 Crazy

ay just throw confetti in the air i bring the crazy with me
 everywhere
 do you dare

like spreadin' love instead of hate on the internet
 I would bet, that if we practice what we preach we could
 reach

a whole generation in our nation to a new elevation
 Gotta stand out be loud start now go all out
 Don't be a clone, just know, just know
 That theres a billion people in the world but only you can
 own it

Don't let the people change all the quirks they tell you to
 hate

Cause He made you a perfect way
 Follow Jesus cause He can save
 If you're 15 or 98, ballerina or like to skate
 Just stand out lead the way, be different okay

Put your hands up if you're crazy
 Yeah, won't you stand up if you're crazy
 Come on, put your hands up if you're crazy
 If you're crazy, uh, yeah

I'm not afraid to be crazy, crazy
 I'm really likin' how He made me, made me
 I know I was born to be a light, oh, oh, oh

Not afraid to be crazy, crazy
 Really likin' how He made me, made me
 I just love being different, that's just fine
 I'll be crazy on the daily, crazy, crazy how He made me
 Crazy, crazy
 I'll be crazy, hey
