Dear God

Help my daughter lean into
Your strength when people
mock her, persecute her, lie
about her, and say all sorts of
evil things against her because
she follows You. I pray she
would somehow rejoice in the
midst of the persecution,
knowing her reward in
heaven is great.

May my daughter live as salt
and light in the world so
others may come to know
You through her life.

AMEN

For you!

Dear God

I need Your help to be full
of courage when other
people make fun of me
and say mean things
about me because I'm a
Christian. Even though it's
hard, I want to be full of
joy because I know my
reward is in Heaven!

Help me be salt and light
so others will trust You
like I do.

amen

For your daughter!
